

## NSA VA Member Benefits – Borrow Library Materials

---

As an NSA VA member, you can borrow educational and training materials from the NSA VA library free of charge. The library provides opportunities to expand your speaking and business skills, so please honor these guidelines. By doing so, all members can continue to benefit from these resources. If you have any questions regarding the library or how to check out or return materials, please contact Laura Cardone at 757-426-3554 or [lcardone@profitswithpurpose.com](mailto:lcardone@profitswithpurpose.com)

### Here's how it works:

- Library materials are available to NSA VA members only.
- You can check out up to 3 individual CDs at any time.
- Complete the check out sheet provided at the monthly meeting, so we can keep track of library materials. It only takes 1 minute!
- Material is due back in 30 days or at the next scheduled NSA VA meeting.
- If you can't attend the next meeting, simply mail the material to Laura Cardone at the address provided at the bottom of this page.
- These resources belong to all chapter members. *\*\* So, checkout requires a credit card. \*\** You will need to complete a credit card slip including: card type, cc#, full name on the card, expiration date and security number. Please give the slip to Laura Cardone or Jean Austin before leaving with library materials.
- You will not be charged for material unless it unreturned 60 days after the check out date, or unless you've made arrangements in advance with the chapter librarian.
- Please don't check out new material if you still have previously borrowed resources. This allows us to share materials with all chapter members.

*Thanks and enjoy the material!*
